meetings of the Local Fund
Boards made by the Rev
Councillor E Div on a
petition received from the
Jagalur Taluq against the Amildar of that Taluk.

Incidentally, I would
~~take~~ like the question of the
Local Fund meetings
brought up for consideration
whether holding meetings
every two months is not
unnecessary and attended
with inconvenience to bu-
siness. The Amildar take
two days to go and two days
to return and on an average
spends two days at Head
quarters. This means great
interruption ~~of~~ work - is
expensive and after all the
business done is little -
why not have two meetings

in the year as before or three meetings at the most. I have the papers connected with this question with me but the matter does not require to be formally dealt with. Please submit the question to the Dewan.

In Govt Pro etc 6098.6 / L.S 210.

dated 1st November 1892, it was observed that although only 4 meetings are prescribed in the rules published under the Cholera Comrs Pro etc notification etc 110 6098 / L.S 210. there is nothing to prevent the District Committees meeting as often as it may be needed and that Govt would be glad if Dy Comrs could arrange to have a meeting at least once in every two months, so that the sanitary requirements of the rural population may be considered and the accounts checked more often. This order was slightly modified in Pro etc 8389-96 / L.S 210-92 of 23/11/93, which lays down that if D. C. Boards do not find it convenient to have 6 meetings in a year, Govt will not object to their having only 4 meetings which is the minimum now prescribed by the rules.

Boards were consulted as whether the number of m might not be reduced to minimum of four prescribed in the rules published and the late Chief Com's circular clo 110 of 4/7/74 and whether such meetings might not, a rules be held at the head quarters in view to avoid an inconvenience which may be caused to members by having to travel long distances. The question was ordered to be considered at a meeting of the Board and their opinion recorded in the form of a resolution, which must be submitted with the remarks of the Dy Com's.

As regards the ques of the reduction in the nu of meetings, the several Boar agree that there should be only 4 meetings in a year, except t one at Shimoga, which resolved t there should be at least 6 mee in a year, the Hassan Boar

Board asking for discretion being vested in them for hol special meetings wherever necessary.

The Boards of the L.F. Circles of Bangalore, Kolar, Hassan, Shimoga Madras are of opinion that meetings should be held at District Head Quarters, while the Mysore Board prefers to have the Budget meeting ours at Head Quarters. Th others consider that no incon is felt in holding m at places other than District Head Quarters in order to g to all members of the Boar an idea as to how works a being carried out in different parts of the District

The two questions requiring orders are —

(1) Whether the No of meetings in a year should not be reduced from 6 to 4

2) whether the meetings should not be held only at Hd Qrs

With regard to (1), all the Boards are unanimous with the exception of Shimoga and Hassan are unanimous in favouring reducing the meetings from 6 to 4. Hassan wants discretion to be given to the Dy Commr to call special meetings. Shimoga by a majority of one (5 against 4) sticks to the present No of six. There seems to be no objection therefore to restrict ordinarily restrict the No of meetings to 4 in a year with discretion to the President to call special meetings when necessary.

With regard to (2), of the 9 Boards, Kanara, Bangalore Shimoga and Kolar have definitely are unqualifiedly in favour of holding the meetings at Hd Qrs, but the other Boards are not so decisive. From what my experience of the L.F. Boards, I believe that it is desirable

that the members should have an opportunity of seeing other places also besides the Dist Hd Qrs as this will thereby be better able to appreciate proposals for local improvements. It appears desirable then to lay down that while meetings should ordinarily be held at Dist Hd Qrs they (a) President may in his discretion hold them at other places also, with the provision if necessary, that the Dist of such meetings should not be less than two in a year
